Dear entrepreneur,

This office has taken initiative to compile the schemes of Central and State Governments as a booklet. This booklet covers not only the schemes of the Ministry of MSME, but also the schemes of the ministries of Agriculture, Commerce & Industry, Food Processing, Chemical & Fertilisers, Finance, etc. It also deals with the schemes of SIDBI and NABARD.

This booklet would be very handy in the hands of the entrepreneur. Every scheme is listed in a standard structure. The entrepreneur need not know the name of the scheme operated by various ministries. We have listed out the schemes under the captions familiar to the entrepreneurs viz. marketing, infrastructure, credit, export, etc. We have also provided different index for ministry wise and sector wise schemes. This will reduce the time of searching of relevant scheme by the entrepreneur.

In addition to the schemes, we have also listed out the name and address of the departments to be contacted, definition of MSME, filing of entrepreneur memorandum, how to set up an enterprise, why NSIC registration?, the list of training programmes conducted by MSME DI, Chennai and its Branch Offices and finally the addresses of supporting organizations and industry associations.

The objective of this booklet is to make available the details of all the schemes in a small booklet as ready reference and care is taken to minimize the time spent by the entrepreneur to locate the scheme relevant to him/her.

The booklet is also available as soft copy in our website and is being circulated to all MSME Associations and MSMEs registered with us.

Please visit our websites - a complete information repository:
